

Plots

2020-04-02

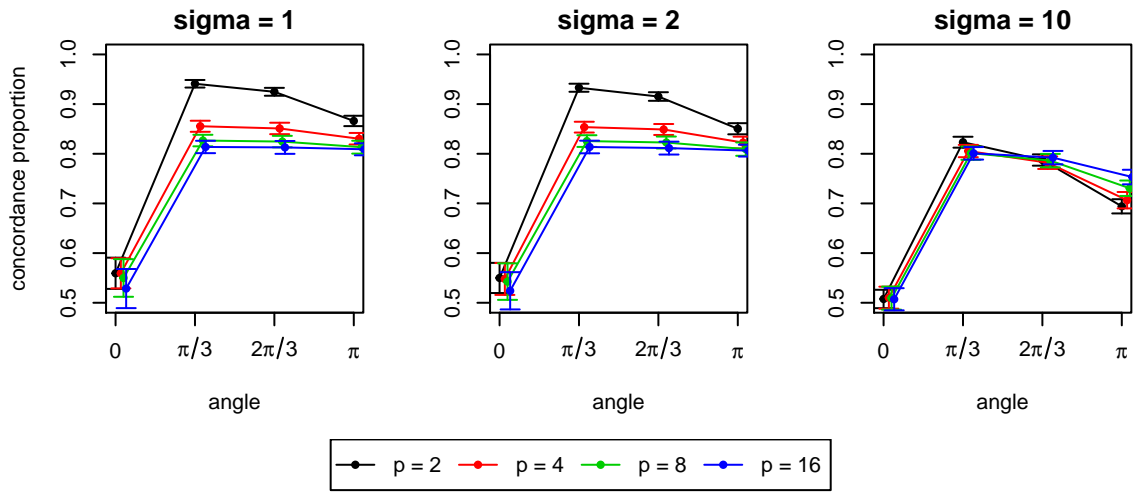

Setting 1

Change score method, parameter setting 1

Setting 2

Change score method, parameter setting 2

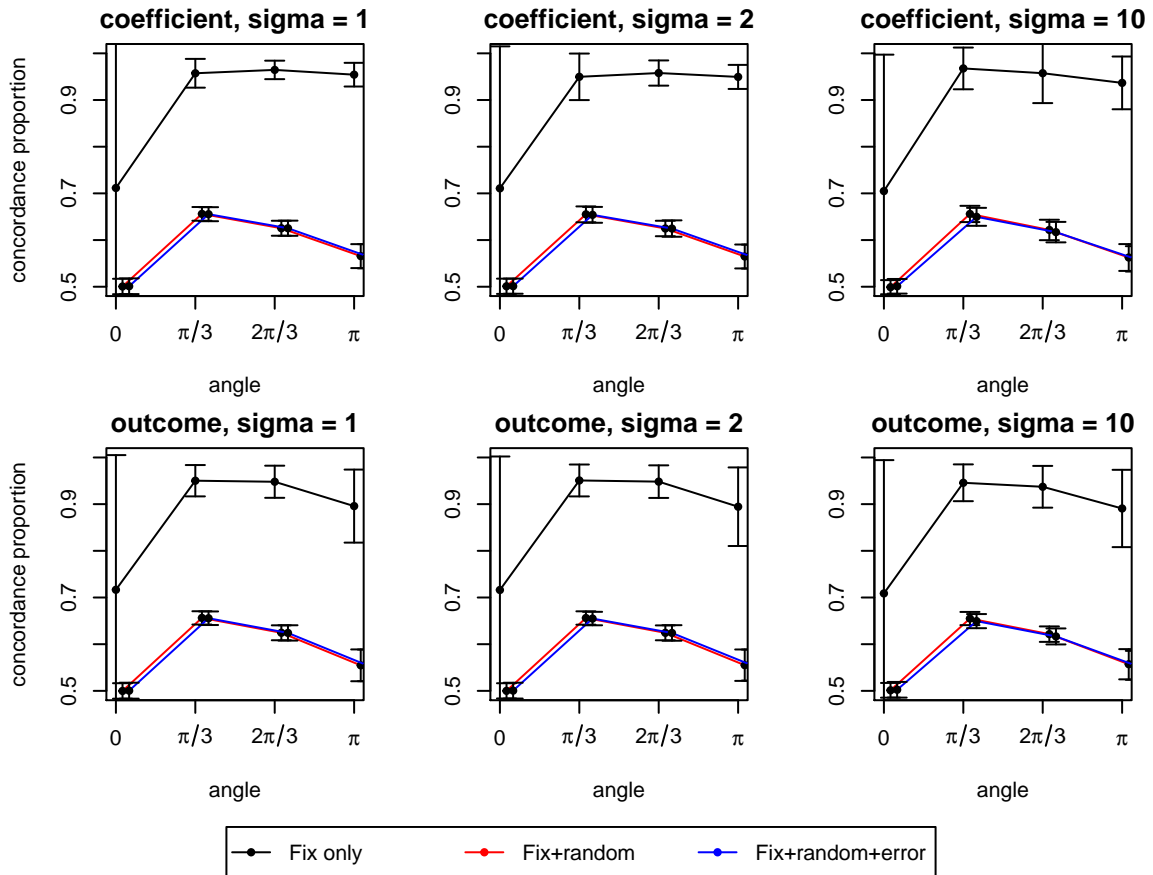

Longitudinal comparison

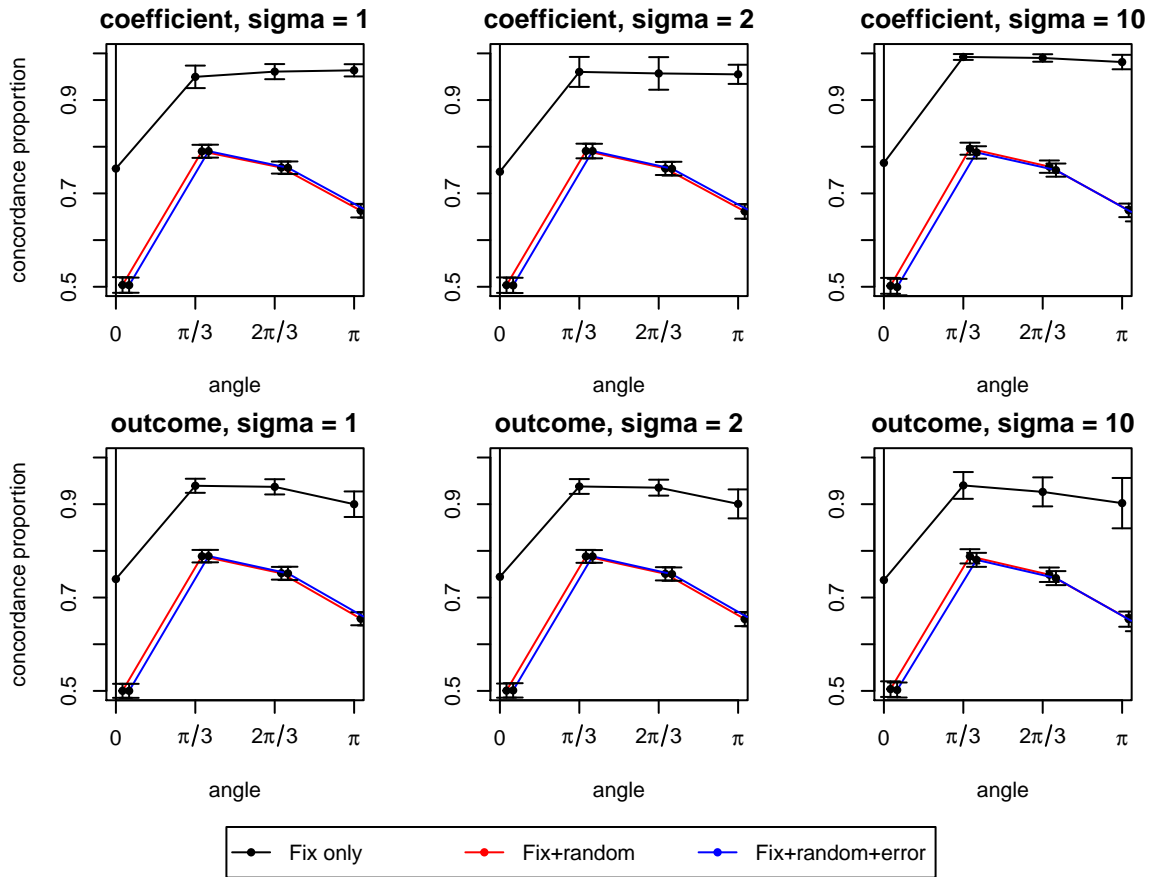

Coefficient or outcome

Setting 1

Longitudinal method, compare coefficients and outcomes, parameter setting 1, $p=2$

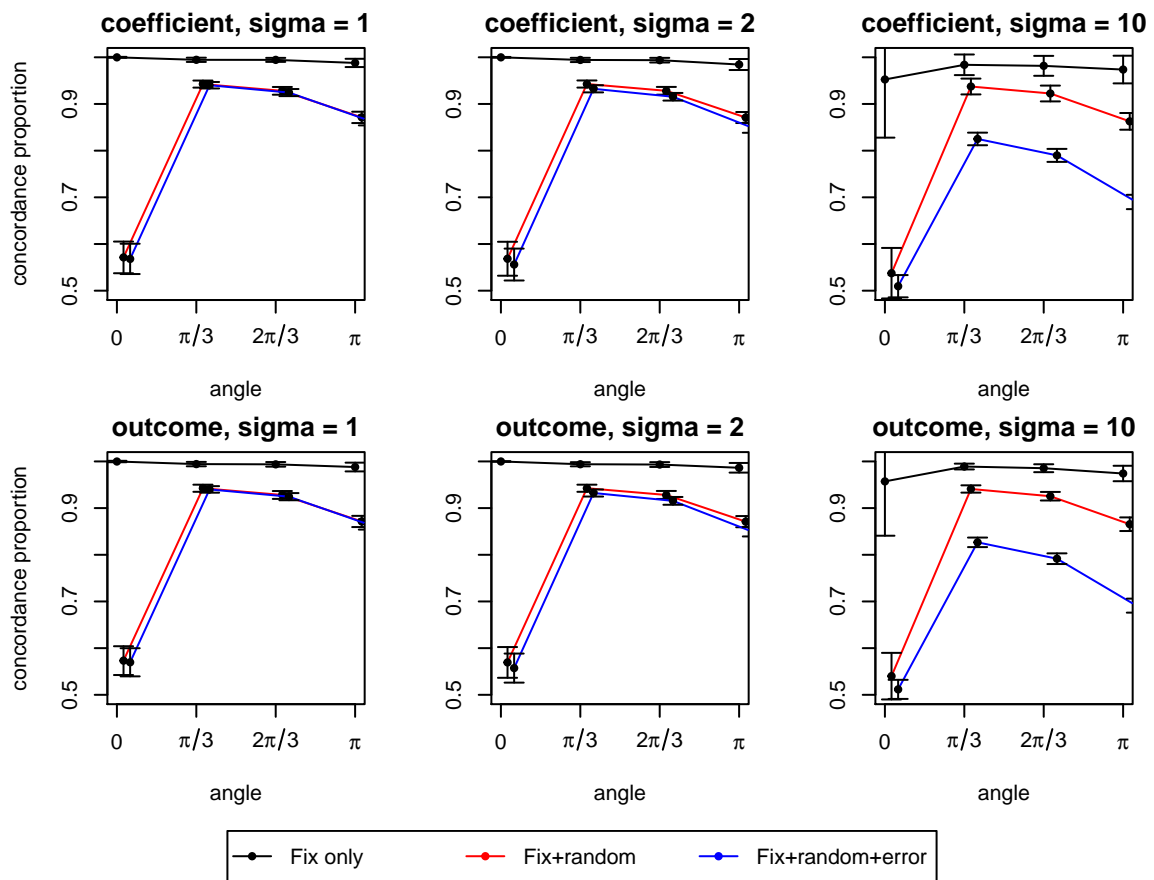

Longitudinal method, compare coefficients and outcomes, parameter setting 1, $p = 16$

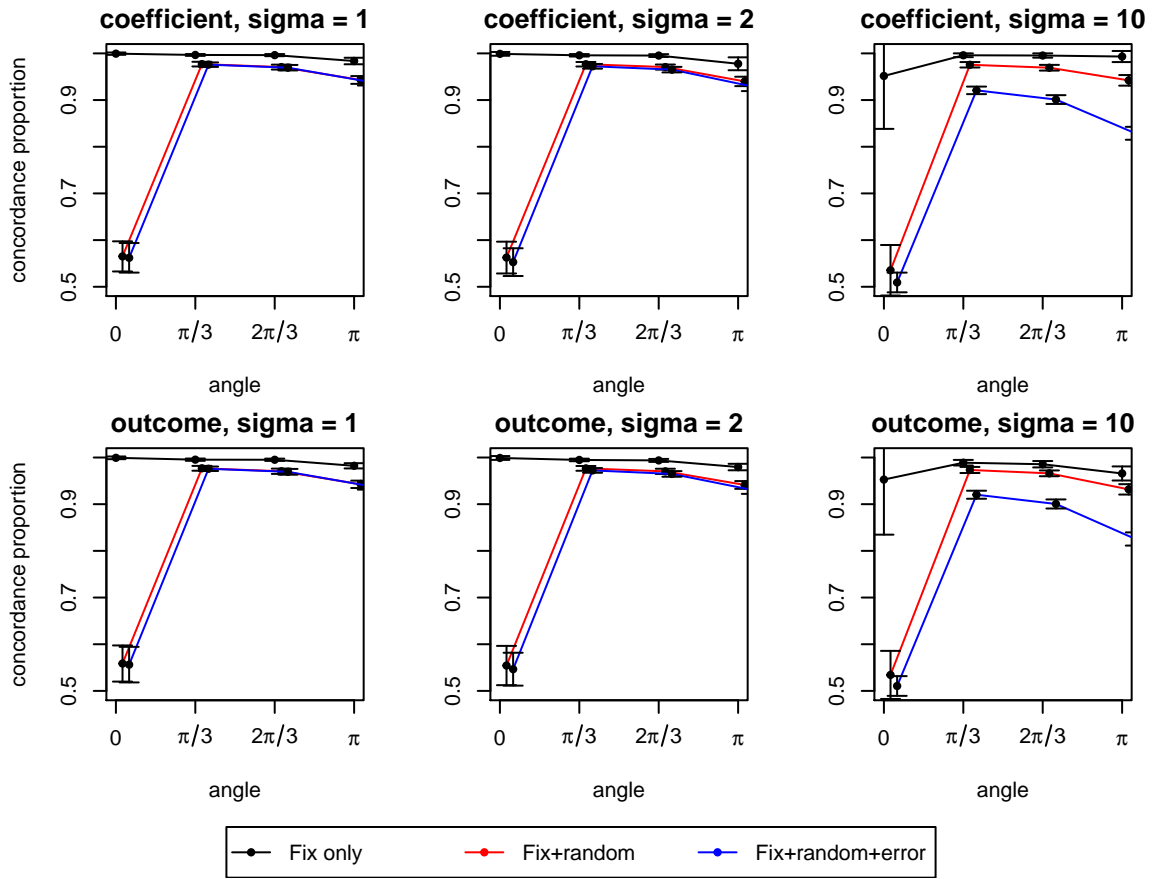

Setting 2

Longitudinal method, compare coefficients and outcomes, parameter setting 2, $p = 2$

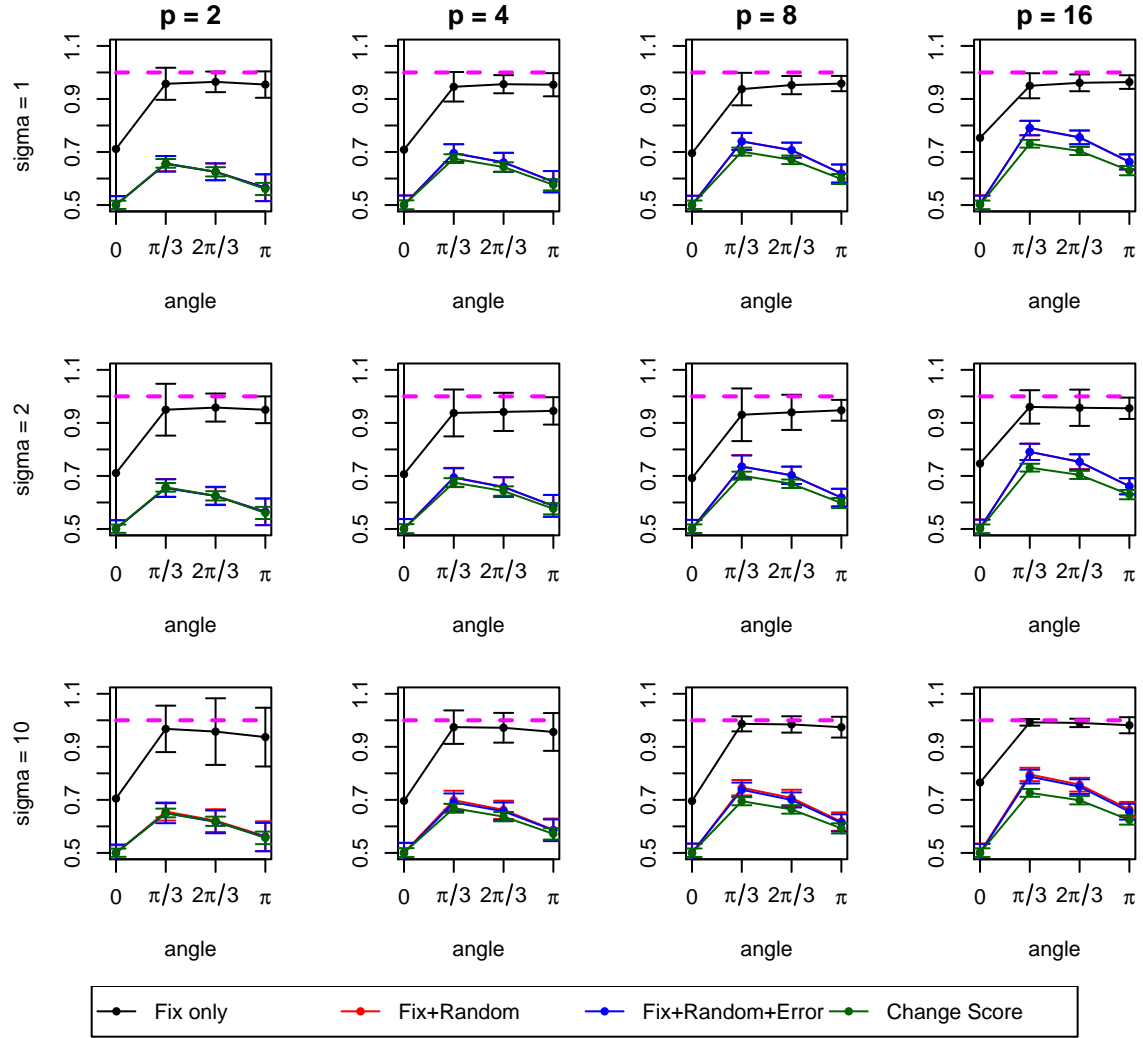

Longitudinal method, compare coefficients and outcomes, parameter setting 2, $p = 16$

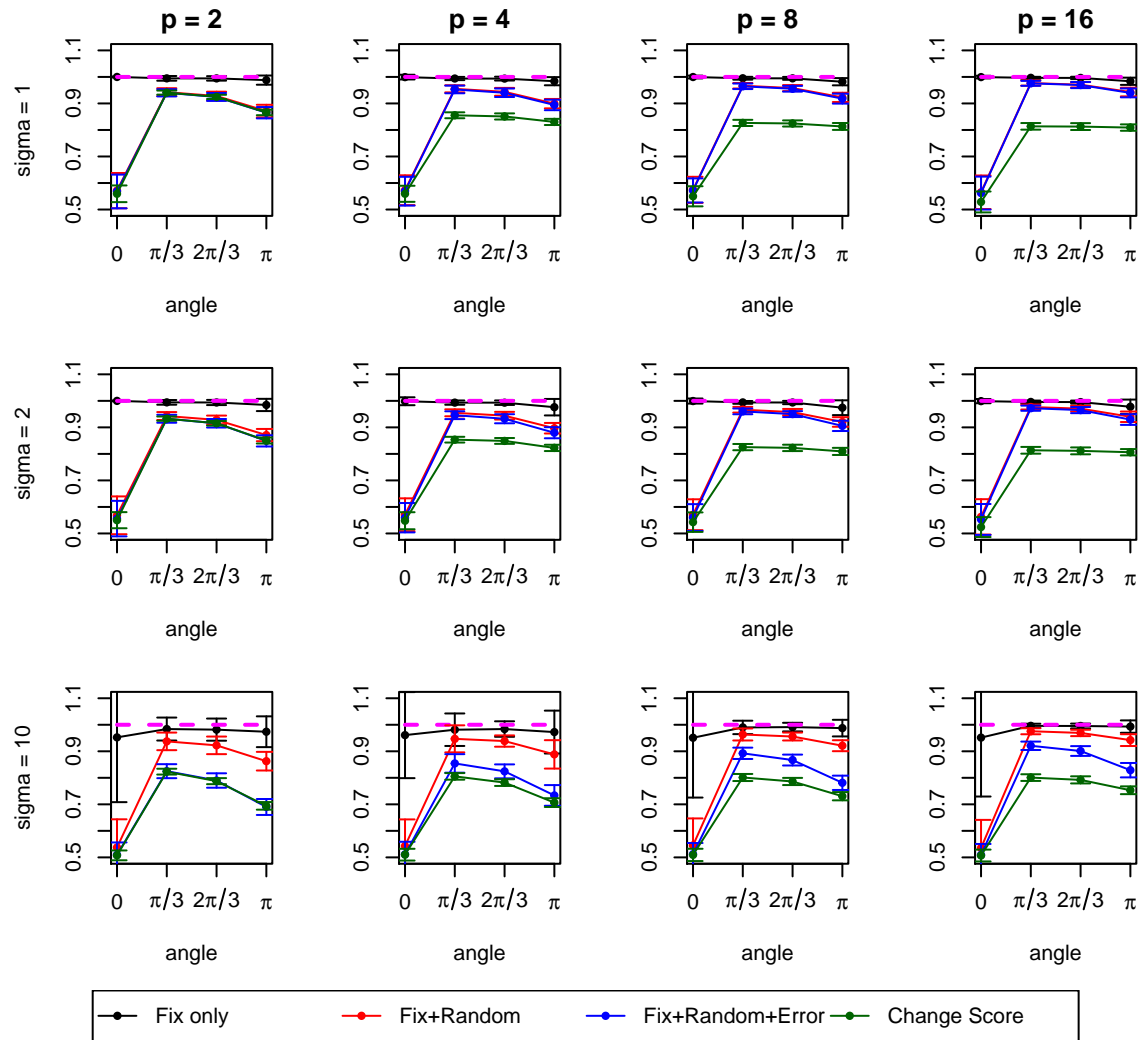

overall comparison

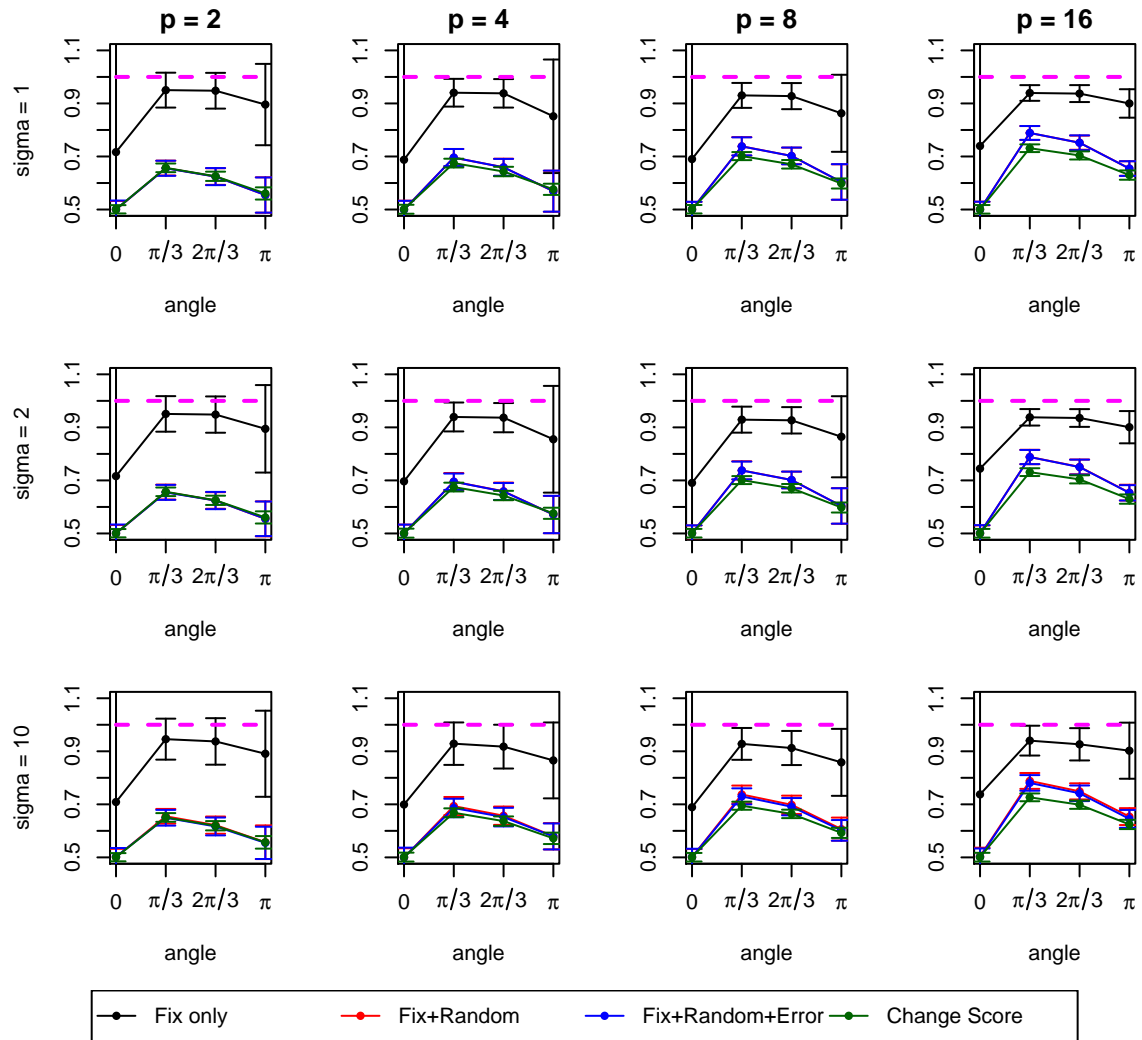

Assignment comparison, coefficient, setting 1

Assignment comparison, coefficient, setting 2

Assignment comparison, outcome, setting 1

Assignment comparison, outcome, setting 2
